

# RESPECT: PLAY YOUR PART

## KS3 WORKSHEETS

### IN THEIR BOOTS: WORKSHEET A

#### EVENTS

#### Event 1

You're a football fan, and you've just been to see your team play – they won 3-1! On the way home, you bump into a fan from the opposite team at the bus stop. You can tell because they're wearing their team's scarf and colours. What could you do to show them some respect?

#### Event 2

You're a football coach, and the team you have been training for the last two years have just narrowly lost out on winning the Nations Cup. How can you show respect to your players, and to the other team?

#### Event 3

You're the referee – you must make fair decisions to uphold the rules. Sometimes these are difficult decisions that make players and fans upset and angry. You're about to give a yellow card to a player who has fouled. How can you show respect, even though the situation is difficult?

#### RESPECTFUL BEHAVIOURS

Respectful behaviours to choose from:

**Celebrate  
another person's  
achievements  
and talents**

**Treat others  
how you want  
to be treated**

**Think about other  
people's feelings**

**Celebrate the  
differences  
between people**

**Listen to others,  
rather than talking  
all the time**

**Look at people  
when they talk  
to you**

**Shake hands with  
someone to  
convey equality  
and warmth**

**Ask others about  
how they feel and  
listen closely**

# RESPECT: PLAY YOUR PART

## KS3 WORKSHEETS

---

### IN THEIR BOOTS: WORKSHEET B

1. Write some key notes about the **event** in the centre of the model.
2. Select a **respectful behaviour** that you could choose and add it to the middle ring.
3. Think of the **positive impact(s)** created as a result of the respectful behaviour chosen and write it in the outer ring.
