

# G000: Leadership

**GIRLS' FOOTBALL  
SCHOOL PARTNERSHIPS**  
Supported by BARCLAYS

**GAME  
OF  
OUR  
OWN**

Supported by  
 BARCLAYS

Schools engaging in the Game of Our Own -supported by Barclays programme will be supported to establish and deliver extra-curricular girls football clubs or activity led by girls' football activators. G000: Leadership will provide the girls football activators with training and support to deliver this extra curricular activity in their school. The girls' football activators can follow one of two leadership pathways; marketing or delivery.

## Why should girls' become a Football Activator?

- One day local leadership camp with interactive workshops to develop leadership skills and understanding across a variety of different roles in football.
- Access resources to support them to develop their football activities in their school.
- Kit – Game of Our Own girls' football activator hoodie, t-shirt, lanyard and resource cards.
- Develop an understanding of the skills they've learnt through the programme and how they can transfer them to wider life.

## Schools will need to recruit Girls' Football Activators from key stage 3. The girls will attend a one-day leadership camp to:

- Develop their understanding of being a Football Activator and their collective work as a team to engage more girls in relevant and appealing football activities in their school.
- Explore the motivations of girls and consider creative ways to engage more girls through football related activities.
- Increase their confidence to undertake a range of leadership roles: girls will follow a marketing OR delivery pathway (half from each school).

There are two pathways as part of the G000: Leadership – Marketing or Delivery. See 'Girls Role Poster' resource for the breakdown of skills and roles under each pathway.
