

# GO LEAD

## DO YOU WANT TO...

### INSPIRE

girls in your school by being a role model and supporting them to be active, enjoy playing and taking part through creating innovative and exciting opportunities in football.

### DEVELOP

your own leadership skills working as a team to deliver a football event. You can choose to focus your development by following either a marketing or delivery pathway.

### REFLECT

on the skills you have demonstrated through your role and be able to articulate and apply these skills to wider life?
